

To protect our students, Silton Swim School has a medication policy that requires both parent and physician authorization. Medication will be administered to students during camp hours only when such medication is needed by the student to remain in camp and administration is required during camp hours. All medication, both prescription and non-prescription must be kept in our office. Medication will be administered to students during camp hours only when such medication is required and accompanied by a doctor's order.

All medications must be brought to our office and stored in its original prescription labeled container in accordance with the manufacturer's instructions. Medication cannot be stored in your child's backpack or with your child's instructor. Medication in baggies, envelopes, old pill bottles, or other family members' pill bottles is not acceptable and will not be administered. In cases where this document is not available and administration of medication is necessary, our Health Director may obtain verbal orders/consent from a parent/guardian or physician. However, this document must be completed prior to future medication administration.

REMINDER: <u>ALL MEDICATIONS MUST BE KEPT IN OUR OFFICE AND STORED IN ITS ORGINIAL PRESCRIPTION LABELED</u>
CONTAINER. Medication will not be administered to any student without the below information.
